CE PRESENTATION- BOWEL CARE IN THE TIME OF COVID

WEDNESDAY OCT. 14th 2 PM | 1 CONTACT HOUR

COME JOIN OUR SPEAKER LIVE (ON-LINE)

OR LISTEN LATER TO THE RECORDED "ON DEMAND SESSION". This program will be stored on our website. All participants will need to send both the sign in sheet and the evaluation form to Joanne Shafik at jmdgs75@gmail.com by October 16, 2020 to receive CE certification.

SPEAKER
Cissi Wimberly Oloomi
MSN, RN, CNS, FNP, CNRN,

RRN has over 40 years in various settings of the specialty of neuroscience and rehabilitation nursing, including acute & chronic care of the SCI patient. She received her masters degree as a Clinical Nurse Specialist and a post-graduate certificate as a family practice Nurse Practitioner from Texas Women's University, Houston. She retired as an SCI service line Clinical Nurse Specialist and Nurse Practitioner at a VA Spinal Cord Injury Center. She has certification in rehabilitation nursing (CRRN) and neuroscience nursing (CNRN). She is a member of the American Association of Neuroscience Nurses (AANN), Association of Rehabilitation Nurses (ARN) and the Academy of Spinal Cord Injury Professionals. She is a published author & also a co-editor of chapters in the neuroscience nursing core curriculum. She has presented numerous times at the national and local levels on various neuroscience topics

OBJECTIVES: After the program you will be able to:

1. Describe best practices for bowel management for coronavirus (COVID-19).

2. Discuss the classification of constipation and appropriate nursing assessment, interventions, and medications to facilitate an effective bowel management program in a resident in the LTC setting.

3. Describe the Bristol Stool Scale and its' use in evaluation and planning with constipation and fecal incontinence.

4. Compare and contrast the causes, uses, mechanism of action and potential side effects of common modalities used in constipation and fecal incontinence.

CRRN Renewal Domain 2: Functional Health Patterns Florida Board of Nursing Provider Number: FBN-50-777

Please note-All Apple users will need to download free "Microsoft teams" app ahead of time to join the live webinar.
